18th November 2011

Morgans Hotline Number: 0844 412 1741

Dear Parents / Carers and Children,

What a wonderful morning at Morgans school. We had so many visitors – Harry Potters, Snow-Whites, Action Men, Cinderellas to name but a few!!! Thank you Parents/Carers for supporting our Mufti-day and be assured that your contributions are much appreciated by 'Children in Need'.

At long last we had the 'official' opening of our school library! We were delighted that Mr Peter Ruffles (Councillor), Governors, Parents, Staff and School Council were all able to join us on this special occasion.

I would like to take this opportunity to thank all those parents who attended and made the event so memorable. We cannot underestimate your help, support, encouragement and financial commitment to this project.

It was super seeing our children from all the classes visit the library throughout the course of the day. They were dressed as book characters and reading about book characters!!!! It's fair to say that there was a real air of excitement throughout the school today!

As our library continues to develop we need help to install all the books on the electronic system - any volunteers would be welcome!!

We look forward to our Year 3 'Diwali' production on Tuesday I look forward to meeting with the Year 3 Parents/Carers at what promises to be a lovely event.

I wish you all a glorious weekend – remember only 37 days until Christmas - so start that shopping!!!

Yours sincerely Clare McFlynn

INDUSTRIAL STRIKE UPDATE

As you may be aware from the media, a number of unions representing teachers and support staff, are proposing to take action on the 30th November.

The action (a one day strike) will result in class or whole school closures across the country.

At present, I do not know which staff will be electing to take part in this lawful industrial action. We may be put in a situation whereby we have to close either particular classes or the whole school

I hope that by writing to you in advance, you will be able to prepare contingency arrangements should we be forced to close.

I will of course keep you informed of the situation over the next couple of weeks.

Thank you for your patience and understanding.

Miss C. McFlynn

Inter-House Sport

This week it was the turn of our Year 5 and 6 girls to take to the sports field to represent their houses. A great turn out saw some superbly played high scoring games. When all points were totalled, this week's winning House were Mimram.

What an active bunch we are!!!

Library At Last – Well Worth Waiting For!!!

We hope very much your children have told you how excited they are at the prospect of using the new school library. The space has been transformed and is now a vibrant, exciting and befitting addition to our school. A space in which to be inspired and develop a life long love of books and language. This has only been made possible due to the hard work and generosity of a good number of people. A huge thank you to all FOMs and others who have helped. Well done Mrs Voss, Mrs Hart, Miss Liddell and Miss Hanham for your considerable effort. Thank you Councillor Ruffles for cutting the ribbon, to Kevin Hall at Wickes for the donation of the paint and to Tescos of Hertford for providing the refreshments for all parents and children during today's grand opening. It was great to share the excitement with a good number of you this morning. The finished product speaks for itself. Within a minute of entering the library today it was fantastic to see some of our very youngest guests soon engrossed in a well selected story. We hope the pictures below capture some of the memories of the occasion. We are sure word of how exciting the space is has no doubt spread already. Finally, we wish to thank Miss McFlynn for her boundless enthusiasm and commitment to this project and ensuring such a fantastic outcome. The school and its children will benefit greatly from this environment for many years to come. Thank you to all of you who have sent in your wonderful email messages of support regarding the library. They are much appreciated.

Fireworks!!! – The winning competition entries to our firework display competition are now proudly displayed in the Queens building. Well done to all who entered.

Nifty Netball And Fabulous Football

Morgans unbeaten streak across both sports continued this week against Wheatcroft. The netballers played superbly and won 7-1, whilst the footballers were equally determined and secured a 2-1 win in a closely contested game. Special mention must go to Joseph Fenton who secured the result in his second half debut with the second goal. Well played teams for representing the school so well.

Please note – next Thursday is the last football/netball fixture of 2011, due to dwindling daylight. It is an away game against Abel Smith and both teams will be departing at 3:00. Training has also finished for both sports until daylight once more permits.

A Library To Be Proud Of!!!
