Dear Parents / Carers and Children,

This term seems to be passing quickly with much still to do in the four remaining weeks of term...

At Hartham's Annual Millennium Swimming Gala, our Year 5 & 6 swimmers continued their impressive sporting year. Our freestyle and medley relay teams won two of the five available events. The impressive crystal trophies will shortly be displayed in our pristine trophy cabinet in the newly refurbished reception area. Well done swimmers!

I think that I am looking forward to the Morgans Summer Fair next Saturday... Alongside our usual contributions from the children, there are many exciting activities for the whole family to enjoy, including sumo suits, a huge climbing wall, go carting and even a band called Dutch Courage! My only concern is that Mr Sadler will get over exuberant with the water again during splash the teacher/governor/child/ anyone passing by!!! We hope for fine weather and look forward to seeing as many of you as possible.

Kind regards

Sue Dutt

Morgans Magnificents

Last weeks Morgans Magnificents were... the whole school, as they show cased their efforts and activities undertaken during 'Humanities Week.' First up were Year 1 and 2 with their huge scale model of Sydney Harbour Bridge. The children had made all structural parts from recycled newspaper and the model clearly demonstrated how well they had all co-operated as a team. Year 3 then showed their original aboriginal artwork, which looked terrific. Year 4 on the other hand had studied several European artists and recreated their masterpieces, examining each artist's style carefully. Year 5 had found out all about South American instruments and learnt to play these to create a superb performance piece. They also read an African story they had written. Last but by no means least, Year 6 showed us the map work they had undertaken and the sushi they had made! To finish with, all children who had worn native costumes during the week gave the rest of the school the chance to guess from which country their costumes originated. Once more the week really enhanced the curriculum and the children and staff enjoyed it greatly. Ms. Ashby in particular, had a 'corking' time!

This page closes at the end of June, so if you intend to donate in this way time is running out.. We should be in the Mercury soon!

Making Waves...

Our Year 5 and 6 swimmers excelled at this Wednesday's annual 'Millennium Swimming Gala' at Hartham Pool. The 18 pupils darted like dolphins to win two of the 5 available relays. The winning teams are pictured proudly posing like porpoises with their trophies. These will be on display in our soon to be unveiled new entrance porch. Well done to all our water wizards, who swam so well.

SUPER URGENT!

**The Morgan's Summer Fair is only ONE week away!!!
Saturday 27th June - 11.30am - 2.30pm**

Thank you to all parents who have volunteered to help on the day. The FOMs still require 6 additional helpers, for all stalls to run as intended. If you are able to help with set up or shut down or running a stall please contact the school office asap.

Please remember that on the 22nd June your child should attend school in their pyjamas and bring a bottle for the tombola.

A fantastic day is in store for all of the family to enjoy. The posters all around school advertise this well. An arena program will feature here next week to let you know some of the many highlights! Please spread the word!!! We look forward to seeing you there...

Many thanks FOMs
