Morgans Hotline Number: 0844 412 1741

Dear Parents / Carers and Children,

I look forward to seeing as many of you as possible at the Summer Fair tomorrow. Hopefully we will be able to dodge the scattered showers which have been forecast. I know that FOMs committee members have been working very hard to provide a great range of activities and refreshments. I would like to thank them for their efforts and ingenuity and also to thank Tim Beard for yet another set of super Summer Fair posters. We now all need to show our support and I look forward to another fantastic well supported event.

Over Wednesday and Thursday our Governors, Leadership Team and pupils put the candidates through their paces to select a new Headteacher to start in January. I am most appreciative of the conscientious efforts of everyone concerned to choose the right person for our school from three very experienced Headteachers. You will be informed of the panel's decision when the successful candidate has informed their current school's Governing Body and parents.

Kind regards

Sue Dutt

Brief Notices

Due to Year 6 Cycling Proficiency, Upper KS2 Sports Day has had to be changed to 9.30am on Wednesday 6th July. Apologies for any inconvenience caused.

The intended pond recycling project has been a little slow to start due to Mrs Ruskin only receiving one response so far. If you have any suitable items mentioned previously to revamp this area please contact her via the school office.

Lots of parents have been ringing about the start times for sports days:

Nursery Sports Day
Wednesday 29th June 9am.

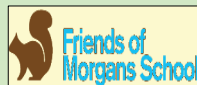

Reception Sports Day
Tuesday 28th June 9:30

KS1 Sports Day
Wednesday 29th June 9:30am.

Lower KS2 Sports Day
Tuesday 5th July 9.30am.

Upper KS2 Sports Day as stated at the top of this box!

Spectators are most welcome at all of these times. Let us hope the weather proves favourable. What a sporty bunch we are!!!

Morgans

Summer Fair Is Tomorrow!!!

The Summer Fair is 11:30-2:30 tomorrow, where having scanned the program, the following attractions and delights await!!!: BBQ, Bouncy Castle, Sweet Tombola, Coconut Shy, Splash the Teacher, Football Shooting Game, Name the Bear, Face Painting, Find the bottle, Bottle Tombola, Hook a Duck, Go Karts (electric), Water Shooter, Ice Cream along with various wonderful treats and refreshments.

In the arena the following timings will apply:

Year 1 & 2 Country Dancing 12:15
Year 4 Cuffley Songs 12:45
Year 5 Line Dancing 1:30
Year 6 Sumo Wrestling 2:00

Many other events will feature in and amongst including the legendary Morgans Champion Baker Bake-Off and the prestigious accolade of Morgans Welly Wanging Wonder!!! Which bionic biceped beast or beauty will triumph in this category??? What more could you possibly wish for?... Fine weather! We look forward to seeing you all there. Many thanks to all who set up today in readiness.

Scenery and Set Assistance Needed Please...

This comes as a plea for some help sourcing some materials.....As you may be aware, Year 6 are heavily involved with their leaver's play which involves over eight quite involved scene changes. It would be really useful for now and the future to make some more permanent boards that could be used to paint scenery on.

Does anyone have any spare 3mm sheets of hardboard (preferably 8x4ft or 6x2ft) or some 6ft lengths of 2x2" timber which they maybe able to donate. Alternatively, are any builders able to help source these materials from a builder's merchant.

If you can help in anyway please let the office or Mrs Elder know as soon as possible as we have just a couple of short weeks.

Many thanks indeed,

Year 6 and future school productions

Year 6 Bhaktivedanta Manor

Last Wednesday Year 6 went to a Hindu temple where we learnt about their culture, how they live and a little bit about their faith. We looked at many different things such as the greenhouses with their sacred plants. We looked at the sacred cows and bulls and enjoyed a ride on a cart pulled by bulls. The Hindus name their bulls after anything to do with their god and demi-gods. We were shown round by a member of the community who answered all our questions.

After the ride on the bulls we worked our way back to the main building. When we arrived we went upstairs into a room and a man called Indriyasha talked to us about Hinduism. Some children dressed up as Hindu gods and we were reminded about the famous Hindu story about Rama and Sita. Before lunch we had the opportunity to dress in traditional Indian clothing.

We were then treated to a wonderful vegetarian lunch of vegetable curry with paneer (a type of cheese), rice and freshly made chapatis. We also enjoyed some lovely homemade cookies. After lunch we had the opportunity to shop and also have our faces painted. Altogether it was a wonderful visit and we would recommend it to everyone and like to thank our hosts.

By Harry Ingram & Joseph Chapman

Mandeville Mathematical Quantum Leap

Our younger children enjoyed a well told creative story revolving around detection, maths and a love of number and calculation. The Year 2 children returned to class having obviously hugely enjoyed the event, found it most amusing and great fun!!! We may well have the same company back, 'Quantum Theatre,' in September for a Key Stage 2 maths event to launch the new school year which they also run.
