Dear Parents/Carers

We are pleased to have been able to arrange for all Year 3 children to take part in a Plastazote Workshop in school on Tuesday 5<sup>th</sup> October. During the day the children will have the chance to create some wonderful 3D masks. They will learn about the properties of plastazote and have a great time designing and making their chosen mask, which they will bring home at the end of term.

However, in order for the workshop to take place, we do need to ask you for a contribution of £4.00 towards the cost of the materials. Cheques should be made payable to Morgans Primary School, to be received by Friday 1<sup>st</sup> October please.

Yours sincerely
