Contact details for all registered providers in Hertfordshire can be found at www.hertfordshire.gov.uk/parents

Pupils in receipt of 30 hour funding a place from 8.30am to 2.30pm.

Parents can collect their child at 2.30pm with no additional costs.

Parents who would like extended hours can pay for their child to stay in the Nursery until 3.30pm at the cost of £6.00 per hour. This fee must be paid in advance, half-termly, to the school.

Children staying for the 30 hour funding will need to bring their own packed lunch.

A provisional offer of a place will be made, in accordance with the oversubscription criteria, with the understanding that a place will not be offered until the parent has provided the school with their 30 hour offer code provided by the government and the parents national insurance number.

Once the School has checked the codes eligibility a 30 hour place will be offered to the child. If the parent has not provided the school with their 30 hour eligibility code by 30th April then the provisional offer will be removed.

Parents have the responsibility to re-check their eligibility every three months with HMRC.

Parents will need to supply the school with the new eligibility end date every three months. If parents eligibility ends then the school's offer of a 30 hour place will end. Alternatively, if sessions are available, parents can pay for the additional sessions outside the 15 hour Universal Free Childcare at £6.00 per hour.

The 30 hour funding can be split between two providers as long as both agree to the split. Please contact the school if this is your preference. 15 hour place (3 hours a day) Parents can apply for a 15 hour place from 1st February. When applying, parents can state their preference for a morning or afternoon session. The school will record this preference and offer the preference if spaces are available after the application deadline closes.

Over subscription criteria for Morgans School's Nursery

Morgans School Nursery will admit children with an EHC (Education, Health and care) Plan that names the school. Parents can apply to Morgans School for a place in the Nursery class to start in the September after their third birthday. However, if there are not enough places available, places will be allocated in the following order of priority:

a) Children looked after and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or a special guardianship order)

b) A child 'at risk' (or the sibling of a child 'at risk') who is the subject of an inter-agency child protection plan.

c) Other applicants where the following criteria are considered to determine priorities:

1) Children who have a sibling at the school at the time of application, unless the sibling is in the last year of the normal age range of the school i.e. is in year 6.

2) Priority will then be given to those who live nearest to the nursery as measured in a straight line. Where there is a need for a tie-breaker where two different addresses measure the same distance from a school, in the case of a block of flats for example, the lower door number will be deemed nearest as logically this will be on the ground floor and therefore closer. If there are two identical addresses of separate applicants, the tie break will be random. Morgan's School will use a parent distance checker for calculating home-school distance measurements. A place in Morgans School Nursery does not guarantee a place in Reception. Parents must apply to Hertfordshire County Council for a Reception place in their chosen school.
