

Food

We are learning to:

- Use basic geographical vocabulary to describe key physical features, including: forest, hill, sea, river, soil, season and weather. As well as key human features, including: town, village, farm and house.
- Identify seasonal and daily weather patterns in the United Kingdom.
- use simple compass directions (North, South, East and West).

Our Lessons

- To identify local and seasonal foods grown in the UK.
- To identify foods grown abroad and understand these are imported to the UK.
- To locate the Isles of Scilly on a map and use compass directions to describe location.
- To identify the importance of dairy farming.
- To draw a sketch map of troytown Farm.

PRIOR LEARNING

- Countries of the UK (Yr 1)
- Seasons and weather (Yr 1)

Bananas are often imported from other countries.
