

HISTORY OF SCHOOLS AND MORGANS

Vocabulary

Chalk

a stone used for writing e.g. on a blackboard.

Change

when something becomes different.

Education

when you learn something.

Local

being near to something.

Past

time before now.

Present

time now.

School

A place you go to learn and be educated.

"Learning is a treasure that will follow its owner everywhere."
Chinese Proverb

We are learning to:

- Know about significant local places
- Know how to find out about the past
- Ask and answer questions

OUR LESSONS

- How do we know what Morgans school was like in the past?
- When and why was the school built?
- Who went to school and what was it like?
- How did they learn in the 1950's at Morgans and what was it like to be a pupil?
- How and why has the school changed over time?
- Would you rather be a pupil now or in the 1950's?
