

At Morgans our staff will:

Encourage children to do their best at all times through the teaching of a growth mindset, the 7 learning Powers, and a variety of teaching approaches and activities. Provide a broad and balanced curriculum which meets the needs of all children.

Have high expectations of pupil behaviour and encourage children to keep the school's golden rules (Safe, Respect, Ready)

Listen to and support your child if they are having academic, social or emotional problems. Keep parents informed about special activities and events through regular newsletters and notices. Inform parents about any concerns or problems that affect their child's work or behaviour.

Arrange regular parents' evenings during which progress can be discussed.

Have an open door policy so parents and carers can speak with staff and offer opportunities for you to become involved with the daily life of the school. Promote a safe online working ethos.

At Morgans School, we aim to:

Have and share a consistent vision with the 7 learning powers at the core, driven by a strong moral purpose.

Provide excellence and quality in all aspects of school life, striving to create opportunities for every individual in the school to develop his or her potential;

Create a safe, secure and stimulating environment in which the children are enthusiastic and engaged in their learning.

Develop essential skills in English, Maths and computer science, whilst also promoting creative learning in all areas of an inclusive, broad and balanced curriculum which recognises individual needs and empowers our children.

Involve parents as partners in their child's education and to work in an effective partnership with all stakeholders.

Promote mental and emotional wellbeing through developing children's self-esteem, self-confidence, self-efficacy and self-regulation; to enable them to work successfully with other people in a collaborative and co-operative way.

Empower our children to be caring, responsible and sensitive towards others and to promote respect for themselves, other people, cultures, property and the environment.

Teach children to distinguish between right and wrong and have high expectations that help children show their understanding in this. Promote equal opportunities and to enable children to challenge discrimination.

Develop an awareness of the importance of keeping safe and leading healthy lives by encouraging engagement in a wide range of activities both through school and in the wider community.

Promote the school as a welcoming part of the local community and develop an understanding of our place within it.

We aim for excellence and quality in all aspects of school life, striving to create opportunities for every individual to develop his or her potential.
