

HISTORY OF SHOPPING

Vocabulary

Goods

objects that people can buy.

Market

a place where buyers and sellers gather for the trade of goods.

Money

coins or notes that have a value.

Online

using a computer to sell or buy goods.

Services

helpful things/work that people are paid to do.

Technology

something that is used to do a task.

Transport

to move something from one place to another.

We are learning to:

- Say what's the same and what's different about ways of life in different periods.
- To know about changes within living memory
- To use a range of vocabulary
- To ask and answer questions

OUR LESSONS

- What is shopping?
- What are goods and services?
- How has shopping changed over time?
- How has payment changed over time?
- How has the way we use shops changed over time?
- How has the way we carry goods changed over time?
