

Year 2

English

We will be creating a narrative to entertain while focussing on the text 'A frog and a stranger'. The children will also be looking at poetry and write their own list poem and instructions on how to make friends. After half term the children will look at texts such 'Dragon Post' and 'Last Stop on Market' to make their own postcards/ letters and texts to inform.

Maths

In maths, we will be further developing our understanding of place value, addition and subtraction and shape while using manipulatives and games to support our understanding.

Science

For the first half term the children will be learning how to use and develop their scientific skills, this includes planning and undertaking experiments and data analysis. In the second half term, we will be looking at the science behind a healthy body, including a healthy mind.

RE

We will be exploring 'God' and what he symbolises for people of the Christian faith.

Values

The value for the first half of term =

The value for the second half of term =

History

In History, we will be exploring different forms of communication, how and why they have changed over time and why they are important.

Geography

Children will be looking closely at coastlines and what they are, then classifying the human and physical features.

Music

The children will be using instruments to create call and response rhythms. Then they will be learning timbre, pitch and tempo to create a mood.

Art

In our art lessons, the children will be developing their drawing skills and learning how to express texture in a sketch.

DT

Children will be exploring pivots, joins and levers to create their own movin monsters!

PSHE

First, the children will be discussing their right to learn and how we can help one another to facilitate this. Next, we will be looking at our unique, wonderful qualities and what makes who we are.

PE

Children will begin the term improving their Ball Skills and developing their Fundamental Skills of balancing, running, changing direction, jumping, hopping and skipping. After half term the children will be focussing on Sending and Receiving as well as Yoga.

Computing

We will be learning the importance of keeping ourselves safe online and share ways to help each avoid dangers.

Homework

In Year 2 children are expected to:

Read daily;

Practise weekly spelling rule;

Do half an hour per week practicing speedy spiders or TTRockstars;
