

Year 5

English

In year 5 will be looking at persuasive writing based on a text called 'The Misadventures of Frederick'. We will also look at non chronological reports.

Maths

We take a break from fractions to consolidate multiplication and division. We will then start to study decimals and percentages followed by our second fractions unit. After, we move onto perimeter, area and statistics.

Science

We will start the term studying the topic of space. We look at the life cycles of various species including mammals, amphibians, fish and birds. We also look at and describe the life process of reproduction in plants and animals.

RE

FALL
How can following God bring freedom and justice?
What did Jesus do to save human beings?

Values

The value for the first half of term =

The value for the second half of term =

History

We explore the history of Hertford linked to the Normans and Barons Revolt - Magna Carta and Hertford Castle.

Geography

We will look at Global Geography (Cities of the World, population and landmarks)

Spanish

Spring 1: Weather
Spring 2: Do you have a pet?

Music

We learn 'Shosholoza', a traditional South African song and play some accompanying chords/drums.

Art

We learn about the features of installation art and how it can communicate a message; exploring the work of Cai Guo-Qiang and discovering how our life experiences can inspire our art.
