Let's look at this week's story

Scientists at NASA are preparing to send astronauts back to the Moon, as part of a new space programme running over the coming years. The series of missions aims to test new technology, learn more about the Moon, and help humans prepare for future journeys deeper into space. The next mission is Artemis II. The plans have sparked discussions about why people explore space and how they could help life on Earth.

Parking Reminder

A reminder about parking:

Please remember not to park in the school car park at drop off or pick up from the Dell. The car park is open in the morning to allow ease of access for staff parking.

Parking for any school is always an issue and our school is no exception. The Senior Leadership Team regularly monitors and reviews parking outside Morgans School. We would emphasise the importance of safe and courteous parking outside our school at drop off and collection times.

For many years at Morgans we have always had our main aim of keeping our children **safe**.

As adults, we are role models to all children and should always behave in a courteous and respectful manner to fellow drivers, pedestrians, neighbours, staff and visitors.

By following these points, you will be helping to ensure that drop off and collection times at Morgans are as safe as possible. We would like you to support us in this and ask that you observe the request so that we all do our utmost to keep everyone safe. We kindly ask you to approach the school using the following route and support us by following the important points below:

- If you access Morgans Road from Bullocks Lane, please follow the road round to the left into Highfield Road, then turn right into Queens Road which leads into Morgans Road, the school will be on your left.
- Walk to school whenever possible, including parking further from the school and walking the last part of the journey.
- Please obey all road signs on our school site, including the no entry signs on the car park gate at drop off and pick up times.
- Do not park, drop off or pick up across the yellow zig zag lines or areas for emergency access – this is illegal and dangerous.
- Do not park on the pavement or grass verges both on and off our school site.
- Do not block resident drives – help us to be **collaborative** with our neighbours and local residents.
- Do not park in the staff car park unless you are collecting a sick child.
- Do not park in the designated disabled bays unless you hold a valid disability parking permit.

We thank you for your support and understanding.
